

Clean, sober leisure-time activities are what's happening!

Getting a head start on National Recovery Month, the Inland Empire Champions of Collaborative Courts (IEC3), a locally advised fund within the CA Collaborative Justice Courts Foundation, donated \$250 to a challenge match softball game for San Bernardino Collaborative Court participants on August 24, 2014. Not only did they play a great game of softball, they also enjoyed a terrific barbeque together with IEC3's generous support.
